Virtual 5k Run/Walk - Breton Bolt
Date: Coming Soon!

Leash up your Epagneul Breton and get ready to run (or walk) in our First Annual 'Breton Bolt'! This virtual 5k event will help support the CEB-US: an organization devoted to protecting, preserving, and promoting the Epagneul Breton in the United States. Since we are able to hold this event virtually, we welcome EB enthusiasts from across the country to participate!

We are excited to announce this event at our National Conclave this year. Check our Facebook and Instagram accounts to follow along with all the events our Conclave has to offer.

WHAT IS A VIRTUAL 5K?
A virtual 5k is a race you can run (or walk) at any location, at your own pace, outside or on a treadmill, alone or with a group of friends (or with your EB!).

HOW DO I TRACK MY DISTANCE AND TIME?
There are many apps you can download on your phone that will track your distance and time. RunKeeper, MapMyRun, and Strava are some of the more popular (and free) apps.

WHEN DO I COMPLETE MY RUN?
Our virtual 5k is set up to be completed between the dates noted (TBD - Coming Soon! - You will have a weeks time to complete your run). You can run/walk any day or time between those dates. Once you complete your run, just click the link provided at registration to submit your time (be sure to do this before the event closes).

ARE THERE DIFFERENT CATEGORIES
Yes! We will have both youth (18 and under) and adult categories (over 18) along with running and walking divisions. We will award prizes for the fastest time (running and walking), happiest running buddy, funniest run picture, and best race scenery.

HOW CAN WE WIN PRIZES?

Be sure to use the hashtag #bretonbolt5k and tag @ceb_us on your facebook or instagram posts to submit your entry for the above mentioned categories. Fastest time will be awarded based on your time logged.

(Prizes could be: CEB US hat or tumbler)

IS THERE A GOODIE BAG?

You betcha! Every entry will receive a swag bag filled with a t-shirt, CEB Decal, and an item for your four legged buddy!
